[There is ~~nothing~~ however nothing unusual in first employing a peon to attend to games ~~&~~, take care of materials &c There used to be one such peon employed in the Madras Presidency College when I was in College (I believe he is there even now) & we used also to make use of the services of the gardeners &c whenever necessary -]

What is wanted is not a peon to take care of play grounds & apparatus but a servant to be attached to Mr McCombe in his capacity as Director of Games – ~~[illegible] have been some arrangement [illegible]~~ It is not clearly stated what sort of work the peon is required to do. It is certainly not fair for Govt to engage an extra peon solely for being attached to Mr McCombe –

The proposed peon is in my opinion quite unnecessary. It is not clearly stated but it seems from the P.S. to Mr Denham's letter of 9.4.1912 that what is wanted is a home orderly. There is a gymnastic instructor in the College who can take charge of all game articles & be responsible for them & students when playing should not mind doing little things for themselves. If there be any ~~[illegible]~~ work which cannot be so arranged one of the college peons or other menials should be made to attend to it. A rupee extra from the game fund will make any of them willingly do a little odde work. M

Dear Sir,

In reply to yours of the 8th instant, I beg to say that there is a fund for athletics to which students subscribe, but that the fund under the Directorship of Mr McCombe, is barely sufficient -if that- to meet the present working expenses

Yours sincerely,
(Sd) Thos Denham

P S The whole point is, that Mr, McCombe as being in charge of the games thinks he is entitled to a personal peon - as already explained
